This is a inline 6, 7.8l, diesel. It has a 5 speed with a two speed diff operated by air. Everything that is supposed to work does. Has had a recent inspection and is all ready to go. Four brand new tires (new not retreads). Fuel filters, oil/oil filter, and diff fluid were all changed less then a 1k miles ago. Brake system has been serviced 2.5k miles ago. Excellent for use as a flat bed or farm vehicle.
