We have four 5000 BTU window air conditioner units for sale, three are Frigidaire and one Haier, all less than 2 years old. All work great, nice cold air. We just moved and have central air now, so we don't need them.

2 Frigidaires and the Haier are \$65 each (Are \$160/\$130 new)

1 Frigidaire is \$50 (got smacked by a tree limb, minor cosmetic damage, still works like a champ, damage shown in photo)
